TESTIMONY.

Rev. E. O. Guerrant, D. D., of Kentucky.

"A good Female School is a public blessing, and among many noble institutions I do not know a better one than the one presided over by Rev. R. L. Telford at Lewisburg, W. Va. It is Christian, Biblical, thorough and attractive—making not only finished scholars, but lovely Christian characters. It is good enough to educate my own daughter, and I take pleasure in recommending it to my friends."

Dr. J. M. Poyntz, of Richmond, Ky.

"Rarely indeed does one have the opportunity of placing their daughters in so good an institution of learning as the one presided over by Rev. R. L. Telford at Lewisburg. Anyway, it has been good enough for me. My daughter has been cared for as if she had been a member of the family."

J. J. Echols, Esq., of West Virginia.

"I have been a patron of the Lewisburg Female Institute for the last six years, and I believe that under the present management it is the very best Female School in the two Virginias. If I had a
